NF confirmed that within his discussions with RCC officers he has been given a quote of approx. £1500 per light relocation. This is to remove the light from the building and relocate to maintain street safety at that location.

**Actions. CG** to draft letter to property owners to confirm they are prepared to pay in accordance with the approx. cost.

The residents affected by the moving of the light should also be consulted.

Then a feasibility study can be done to progress moving the light. If EWPC wish to upgrade the look of the lamp post, then EWPC can pay the extra cost for the upgrade.

135/20. Finance:

To note the current bank balance on the Parish Council's Accounts.

**Resolved.** Approval of report.

Three points for REPC to be aware of:

- Why are EWPC are encouraging donations even though there is £28+ in reserve?  
According to financial regulations it is a generally accepted recommendation the appropriate minimum level of a Smaller Authority's General Reserve is that this should be maintained at between three (3) and twelve (12) months Net Revenue Expenditure (NRE). The smaller the authority the closer the figure should be to 12 months NRE.
- As Income and expenditure is greater this year we will be expected to take part in an Limited Assurance Review £250+ VAT as well as the usual audit at the end of the year.
- We also need to prepare a draft 2021/22 budget for discussion/approval at the next EWPC meeting ready for the precept application in early January.

Julie Gray expenses

- £18.33 – Printing paper for SGB printing

- £78 - SLCC Membership

**Resolved.** To be paid. **CG to Action.**

137/20. To discuss correspondence received by the Clerk

- Self Assessment Form for Councils – Working from home. Documentation has been circulated to the Parish Council regarding computer display screens.
- Remembrance Day - CG confirmed she has started putting up the village poppies and will finish later this week, rain allowing.

- LEAP (Local Energy Advice Partnership) is a completely free service run in partnership with Rutland County Council and aims to tackle fuel poverty.

**Action. CG** to add to the village website and notice boards.

- EWPC rep for the Parish Council Forum PCF).

The new stile PCF will be starting in November (DTBC) we need to decide who will be our representative. The advice from RCC is that it should be a parish councillor though it does not need to be the same one each month. This is because clerks, as paid officers of the parish council, are unable to express political opinion whereas parish councillors are.

**Action. CG** to forward details on receipt.

138/20 To confirm the date of the next Parish Council meeting

Monday 30 November, 7.15pm via virtual conference if restrictions are still in place.

Dear Mr Baxter

In response to your above referenced email, as trustees of Tommy's Close Recreation Ground, we confirm the identified dangerous ash tree on Manton Lane has now been felled (as below). Can you please record this action as closed and circulate to any other involved departments at RCC?

As part of good practise, we also advise as follows

1. In October 19 when we raised this issue with RCC Customer Services by letter and telephone messages, we also informed our Parish Council and thus the Edith Weston Parish Clerk is copied on this email circular

2. We are concerned that on such a matter as a dangerous tree that the initial formal contact in October where not responded on, leaving a period of time where the tree could have caused a risk to the public and we wanted that noted, but of course greatly appreciate the strains on RCC at present

Finally, as a very small charity, we now have the huge task of raising over £30K to renew the playground (detailed on the attached poster) within the recreation ground, before it can be opened and the tree felling has already taken 30% of any funds we have.

Do you know of any funding streams or maybe contacts within or linked to RCC, which will help us in this major task – we need the playground open for children in the village as soon as possible after spring 2021?

## A DATE FOR YOUR DIARY

### IT COULD HELP PROTECT YOUR HEALTHCARE IN THE FUTURE

- Find out about future health services proposed for Rutland before you give your views on the closure of Leicester General as an acute hospital
- **Join the Zoom conference at 7pm on 9<sup>th</sup> of DECEMBER 2020**
- Book a place **now** – details below. Consultation ends 21<sup>st</sup> December 2020.

The current public consultation by our Clinical Commissioning Groups (CCGs) could mean disproportionate cuts in health service provision for Rutland. But detail of what is on offer to Rutland people in exchange has not yet been released.

100 Rutlanders took the 2019 national NHS Long Term Plan and adapted it into a Health Plan for Rutland which included redevelopment of Rutland Memorial as a hub for community services. 10 key services were identified to enable Rutland people to be treated closer to home and avoid hospital admission or speed return as set out in the Government's Long Term Plan for the Health Service (10 key points listed below).

Encouragingly, Mr. Andy Williams, the Chief Executive of the CCGs has this month confirmed to our MP, Alicia Kearns, that community services will be redeveloped and has promised *"....the refurbishment of the hospital or the development of new facilities, potentially in partnership with other local public sector bodies, should that be deemed to be preferable or more viable."*

Mr Williams will be joining us to give us more detail about these plans and to answer residents' questions. For example, people ask whether inpatient beds will be available in Rutland to support those requiring intermediate care after a stay in an acute hospital and are services provided by the Karen Ball Suite secure?

This meeting could help Rutlanders develop informed views on the proposed closure of Leicester General as an acute hospital and interrelated changes to community services in Rutland. We hope you can join the discussion about the future shape of our health services and give your views. We have also invited Alicia Kearns MP, Dr Hilary Fox, Healthwatch and Rutland County Councillors to join us.

Please reserve your place by emailing [rhscpc@icloud.com](mailto:rhscpc@icloud.com) or book directly via Eventbrite [Click Here - Registration](#) . Places will be allocated on a first come first served basis, we will keep a reserve list to use if places become available.
