Dear Sir/Madam

Edith Weston Village – request for assessment for TPOs

I have been requested by the Parish Council to ask for an assessment of several trees within the village which we would like to be considered for a Tree Preservation Order because of their importance.

Edith Weston Parish Council commissioned a tree survey which identified several trees which have significance to the village. These are highlighted on the attached map.

In addition, we would like to request that the trees on the Officer's Mess which border Manton Road also be assessed. You may be aware that an outline planning application has been made for this site, and the Parish Council is very keen that these mature trees are retained.

We look forward to hearing from you.

Yours sincerely,

Sara Glover

Clerk to the Edith Weston Parish Council
