Subject: Thank You for Your Support with the Grange Top Quarry Planning Application.

Dear Edith Weston Councillors,

On behalf of Empingham Parish Council, I would like to express our sincere thanks for submitting your views on the recent Grange Top Quarry planning application. Your support, and your willingness to stand with us on matters that affect our shared communities, is genuinely appreciated.

It is reassuring to know we have such constructive and considerate neighbours. Your engagement strengthens the voice of local councils and helps ensure that decisions reflect the best interests of the wider area.

Thank you once again for your collaboration and for being such good neighbours.

Kindest regards,
James
