**Subject:** Average Speed Camera Petition

Dear Chair,

As I'm sure you are aware the B6047 stretch of the 'Rutland TT' route has seen too many tragic road traffic incidents, including a recent fatality.

Many residents have contacted me time and time again to raise their concerns about the dangerous speeding on the route, often by those who have travelled from far away.

I have launched a petition calling for Leicestershire County Council to install average speed cameras along the B6047. The petition can be found on my website using the link below, and I am happy to post out paper copies for those that may struggle to register their support online.

	<h3>Petition to Install Average Speed Cameras Along the B6047</h3>
	<p>The B6047, also know as the 'Rutland TT', has seen a number of serious road traffic incidents, including a recent fatality.</p>

If you haven't done so already, I would be very grateful if you could sign the petition, and also send the link to your mailing list, or include in your next newsletter update.

Ensuring the safety of our roads across our rural communities remains a key priority for me and I would welcome your support in ensuring that local voices are heard by Leicestershire County Council.

Kind regards,

Alicia
